

Judaic Enrichment: Community

A scholar is not allowed to live in a city that does not have these things: a law court that decides punishments; a charity fund that is collected by two people and distributed by three; a synagogue...a bathroom; a doctor; a craftsman...a butcher; and a teacher of children.

This is a quote from a text called the Talmud, which was written by rabbis

Consider...

Why do you think each of these are important for a community?
