

Judaic Enrichment: Learning from Everyone

Who is wise?

One who learns from every person.

This is a quote from a text called Pirkei Avot or Ethics of the Fathers.

Consider...

How does this quote connect to getting feedback?

According to this quote who can give us feedback?

Who are some different people from whom we could get feedback, and what unique perspective might they give?

Person	Perspective

Why is it important to get feedback from different people?
