

Week 1/Segment 2: How can we be a problem-seeker?

Mission - Forming Questions

Do...

- Ask questions that start with “tell me” or “describe.”
- Keep questions short.
- Ask about feelings.
- Remember to ask about problems and things that are hard.

Avoid...

- Asking questions that can be answered with “yes” or “no.”

Write some possible questions below:

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Now put star next to the ones you want to make sure to ask.

Mission: Possible

A project of Einstein Academy

#doingthepossible

Pro Tip:

Stick with around five questions so that you get *enough* information, but not *too much* information. You can always add more questions along the way.

Share your list of questions with us (MissionPossible@EinsteinAcademyCO.org)!
